Grow your
business with us!

About us

Certum is the largest and the longest established Certificate Authority in Poland. As a part of Asseco group, we have strong foundations to provide high quality Internet security and identity authentication services and products.

Certum's Partner Program provides an exceptional opportunity to expand your business by adding our products into your portfolio. Our dedicated Partner Program is aimed to meet the expectations of hosting companies, e-commerce companies and other resellers.

Why Certum?

- Application Programming Interface (API)
- European CA
- Plug-ins: WHMCS, ODIN, cPANEL, DirectAdmin, Plesk
- Whitelabel – create your own brand
