

Electronic signature

Symbol of a modern business

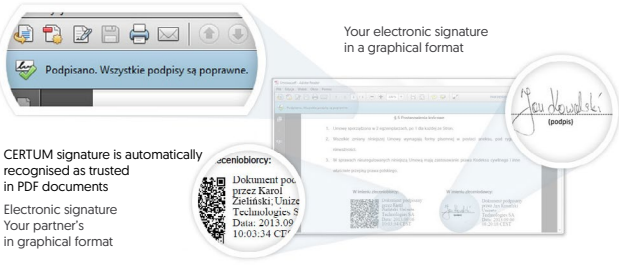

Electronic signature is a symbol of a modern and well organised business. It will allow you to look after the interests of your company, quickly, securely and conveniently from any place on the globe.

Why you should choose us?

- You build trust for your business on the Internet,
- No need to print and send documents via conventional mail,
- An e-invoice with an electronic signature facilitates quicker payments,
- You can sign documents on-line, 24h per day,
- Supported by Adobe.

Keep up with the times!

A modern business requires appropriate tools, a Certum electronic signature is an excellent solution for businesses, which value both mobility and security.
